Is My Head Big Enough for a Lamood Big Hat?

1. Cut along the dotted lines.
2. Overlap the darker colored 1 with the lighter colored 1. Repeat with the 2 squares.
3. Tape the three pieces together to form one long measuring tape.
4. Wrap the measuring tape just above the ears and around your head where a hat should properly sit on your head. Wrap it for a snug fit.
5. If your head size falls between 7 1/4 to 8 1/2 then you need a Lamood.com big baseball hat.
